## Class Specification – Water Quality Coordinator

### Summary Statement:

The purpose of this position is to coordinate the implementation, execution, and ensure compliance of the several components of the Municipal Separate Storm Sewer System (MS4) for the City of Colorado Springs. The specific components include; public outreach, permit reporting, inspection and plan review training, development and implementation of erosion and sediment control policies, execution of the Industrial Facilities component, and coordination of the Municipal Facilities Runoff Control Program (MFRCP). This is accomplished by having a strong understanding of the City's MS4 requirements, and local, State, and Federal policies relating to the Clean Water Act.

### Essential Functions

Note: Regular and predictable attendance is an essential function in the performance of this job.

### Time % (All below must add to 100%)

Note: Time spent on each essential function will vary based on operational needs and is only intended to be an approximation over the course of a full year.

40%

Day to day coordination of the MS4 Permit to include coordination and direction with other City Divisions, intragovernmental agencies, local industries, and citizens; report directly to Water Quality Program Manager on MS4 Permit compliance; direction of staff; participation in stakeholder committees; and correspondence with the Colorado Department of Public Health and Environment (CDPHE).

15%

Aid in the development of new policies and the modification of old policies; assist Water Quality Program Manager with direction and input in this process; and assist in annual budget process and track MS4 spending.

15%

Manage the Municipal Facilities Runoff Control Program (MFRCP) component of the MS4 Permit; manage MFRCP budget; update mapping and plans throughout the year; perform annual training for all departments with MFRCP sites; and perform inspections throughout the year for compliance.

15%

Manage the Industrial Facilities component of the MS4 Permit; perform annual training for City staff and CSU staff; and perform outreach duties for various industries to include general education and specific site outreach.
